

World Series Is Tied Up

Hodges' Single in Second Inning Scores Robinson for Only Run in Game

By Jack Hand

YANKEE STADIUM, New York, Oct. 6.—(AP)—Preacher Roe, a gangling shut out of the New York Yankees with six hits today as Brooklyn squared the 46th World Series at one game each with a 1-0 victory over Vic Raschi, while 70,053 fans watched in comparative silence.

This second straight 1-0 game was a new experience for the series. Never before had two 1-0 games been thrown in the same season, let alone in succession.

Brooklyn scored its lone run off Raschi in the second inning and Roe held tight as the Yankees staged a threat in each of the last three innings.

Jackie Robinson's double to the left field corner, his first hit of the series, started the Dodgers on their way in the second.

When Jerry Coleman fell after racing back of first to snare Gene Hermanski's foul pop, Robby tagged up and ran safely to third. He held while Billy Johnson threw out Marv Rackley.

Gil Hodges then slammed the game-winner, a single to left, scoring Robinson. When Johnny Lindell fumbled the ball for an error, Gil went to second. The single was the ball game, Robinson scoring easily and Lindell's error didn't make too much difference because Hodges was left on second.

First Inning Dodgers
Raschi hurled the first pitch to Reese over the heart of the plate for a called strike. Reese swung at a two and two pitch and sent a high fly to Lindell in left. Jorgensen looked at a ball and strike then grounded to Henrich who beat him in a race for the bag to make an unassisted putout. Snider swung viciously and missed a wicked curve ball, then slapped Raschi's third pitch right at Rizzuto who tossed him out.

No runs, no hits, no errors, none left.

First Inning Yankees
Rizzuto fouled Roe's first pitch into the lower stands in back of the Dodger dugout. He then rifled a solid single over third baseman Jorgensen's head into left field. Tommy Henrich, the hero of yesterday's 1-0 Yankee win, received a tremendous ovation as he stepped into the batter's box. Hermanski raced into the right field corner to get under Henrich's looping fly. With Bauer at bat, Campanella almost threw the ball away in an attempt to pick Rizzuto off first. A nice catch by Hodges saved him from an error. Robinson galloped into foul territory behind first base to gather in Bauer's pop. DiMaggio fled deep to Snider.

No runs, one hit, no errors, one left.

Second Inning Dodgers

Robinson slashed a double over Johnson's head. Hermanski fouled to Coleman. Robinson tagged up and made a daring dash for third which he made easily when Coleman slipped on the grass as he made the throw. Rackley sent a dribbler down the third base line and was out in a very close play, Johnson to Henrich as Robinson was forced to hold third. Hodges rifled a single past Rizzuto to score Robinson. Say Settlement Not Reached

HONOLULU, Oct. 6.—(AP)—Union leader Harry Bridges declared today he had negotiated a settlement of the 159-day-old Hawaiian stevedore strike, but an employer spokesman said "No settlement has been reached."

Bridges, president of the CIO International Longshoremen's and Warehousemen's union, made his assertion as he boarded a plane for San Francisco after several days of secret negotiations.

However, Philip Maxwell, vice-president of the Hawaiian Employers council, said a few minutes later that there was no settlement.

Members of the employer negotiating committee were meeting this morning.

PREACHER ROE

"Preacher" Roe today pitched the Brooklyn Dodgers to a 1 to 0 shutout of the New York Yankees, who won the first game of the world series on Wednesday by a 1-0 score.

Conference on Rail Tieup Being Held

Officials of The Rail Line First To be Heard

ST. LOUIS, Oct. 6.—(AP)—Four governors and representatives of four other states met here today in an attempt to untangle the Missouri Pacific railroad tieup.

Top executives of the railroad and the four striking unions accepted invitations to discuss their problems behind closed doors.

The conference was called by Gov. Forrest Smith of Missouri at the suggestion of Gov. Sid McMath of Arkansas, the state hardest hit by the strike.

Other governors at the meeting were Lee Knous of Colorado and Frank Carlson of Kansas.

Governors' representatives were sent by Illinois, Louisiana, Nebraska and Oklahoma. Mississippi, Tennessee and Texas—the other states affected by the strike—were not represented.

Smith said railroad officials would be heard first and then the unions would be permitted to present their case.

The Missouri governor revealed he has a plan to settle the 28-day dispute, but he would divulge no details.

"And I can't tell how long the conference will last," he added. "It depends on how much we get done today."

On hand for the unions were all four presidents and vice-presidents of the striking brotherhoods.

Before the meeting, Smith issued the following statement:

"The conference of governors and their representatives was called because of the crippling effect upon the economy resulting from the four weeks' disruption of service on the Missouri Pacific as a result of the strike.

"The governors of these 11 states received pleas from business men and citizens alike urging the quickest possible settlement of the dispute.

"The very life of some businesses rests upon a quick end to this transportation tieup."

Plans to Redistrict Schools To be Submitted to a Vote

The Pettis county board of education has drawn up a plan for reorganization of the public schools of the county and will submit it to a vote of the people on Tuesday, November 1, according to C. F. Scotten, county school superintendent.

This final plan reduces the number of school districts from eighty to a proposed eleven districts. Ten are reorganized districts, combining several existing districts into new administrative units. The eleventh, Sedalia, remains exactly in its original form.

Proposed district R-1 combines Oak Grove 100, Elder Ridge, Dunkburg, Brookside and Eden Valley districts.

Proposed district R-2 would unite Houstonia, Hughesville, Higgins, Smeiser, Frisbie, Hopeville and Woodland districts.

Proposed district R-3 is made up of Longwood, Scott and Postal districts.

Proposed district R-4 joins Stokely, Sunny Dell, Bleak Mound, Oak Point, Pleasant Green, Crystal Springs and Bethel districts.

Proposed district R-5 is a combination of Dresden, Walnut Grove, Georgetown, Bothwell, Tanglebrook, Sunnyside, Oak Grove 32, Brown and Quisenberry districts.

Proposed district R-6 combines Lookout, Olive Branch, Salem, Lovelace, Arator, White, Smithton, Pin Oak, Brushy and Ringin districts.

Sister Of H. O. Berry Is Killed

Mrs. Lee Warren Is Victim In Car Crash; Husband Is Critical

PARIS, Mo., Oct. 6.—(AP)—Mrs. Lee Warren, 71, of 627 Park avenue, Peoria, Ill., was killed Wednesday in a collision of two automobiles two miles north of here. Missouri state highway patrol reported.

The mishap occurred at the junction of highways 24 and 15 during a slight rain.

Three other persons were injured and taken to hospitals in Moberly. They were Lee Warren, husband of the dead woman and driver of one car; Charles Taylor and Sid Paige of Kirksville, Mo. Taylor and Paige were riding in the second automobile.

Mr. and Mrs. Warren were enroute to Sedalia to visit with their brothers. Mrs. Warren is a sister of Judge Harry O. Berry, 601 West Third street, and Mr. Warren a brother of Pat S. Warren, 1702 West Broadway.

According to information received in Sedalia the other car involved in the accident was reported coming off a side road onto the highway. Mrs. Warren, it was said, was killed instantly.

Mr. Warren was taken to the McCormick hospital at Moberly where it was reported his condition was critical.

Mrs. Warren, nee Stella Berry, was the daughter of the late William and Anna Berry. She was born in Princeville, Ill., and when a child came with her parents to Missouri to reside. They made their home for a time near Dresden and later in Sedalia.

She was married here in Sedalia, fifty-two years ago to Mr. Lee Warren, former stockman of this county. They resided here until about thirty-five years ago when they moved to Peoria, Ill.

Surviving her are her husband and two children Clyde Warren and Mrs. Mildred Martens both of Peoria, and several grand children. Also the following brothers and sisters, W. C. Berry, Los Angeles, California, Mrs. J. J. Kelly and Mrs. A. C. Wirth, both of St. Louis, V. A. Berry of New Franklin, and Judge Berry of Sedalia.

No word has been received as to funeral arrangements. It was indicated arrangements will await further information as to the condition of her husband.

Mr. and Mrs. Pat S. Warren, accompanied by Mr. and Mrs. John S. Greede, 1821 South Barrett avenue, left this morning for Moberly where Mr. Warren's brother, Lee Warren is in a critical condition at the hospital.

Found It Costly To Put Slug in Meter

DETROIT, Oct. 6.—(AP)—Edward Temple, 47, city tax collector, is out \$240 because he put a slug in a parking meter.

Temple was fined \$100 yesterday, after pleading guilty in traffic and ordinance court to using a stub to park his car. A two weeks suspension from his job in the city treasurer's office cost him \$140.

"I admit it was a cheap trick," Temple told Judge George T. Murphy.

Injured Buck Deer Given Buena Vista

The local highway patrol received a telephone call Sunday morning, October 2 to pick up a crippled, buck, deer on highway 52, near South Flat Creek bridge.

The deer was turned over to Wildlife Conservation Agent William H. Stuesse, who took it to Buena Vista Home where it was butchered.

The deer will provide some choice meat for the people there.

This action was carried out by the agent according to a state law which requires that when any animal is injured on the highway if the remains are edible it is to be turned over to a county charitable institution.

S-C Tigers Band To Attend Game

The Smith-Cotton high school band is one of 28 Missouri high school bands which have accepted invitations to be guests of the University of Missouri band and the Athletic Department at the annual Band Day football game in Memorial stadium at Columbia this Saturday afternoon, when the Tigers play Oklahoma A. and M.

The bands will join the university football band in the national anthem at the start of the game, and will participate in mass maneuvers between halves.

The Smith-Cotton band, under the direction of Miss Geraldine Teufel, consisting of 78 band members and five twirlers, will leave from the Smith-Cotton high school, Saturday morning at 8:00 o'clock in three busses.

House Votes For Bigger SS System

Proposed Substitute Of Republicans Is Defeated 232 to 113

WASHINGTON, Oct. 6.—(AP)—Riding a triumphant 333 to 14 house vote, legislation vastly expanding the nation's social security program moved over to the senate today.

It would add 11,000,000 to the 35,000,000 workers now covered by old age insurance.

Its sponsors voiced hope it would lessen strikes and strife over labor demands for pension plans financed wholly by employers. In the federal program, workers and employers share equally the cost of the benefits the workers later receive.

Senate approval is considered virtually certain—some time before the 1950 fall elections.

Chairman George (D-Ga) of the senate finance committee said the senate is bound to vote for higher security benefits, but will not be able to act before the second session of the 81st congress convenes in January.

WASHINGTON, Oct. 6.—(AP)—House voted Wednesday for a bigger social security system—covering more people, paying higher benefits and to cost, after 20 years, three times larger pay-hold taxes.

On the showdown, only 14 votes were cast against it. There were 333 for it.

The administration measure sailed through overwhelmingly after the House first slapped down, 232 to 113, a proposed substitute offered by 10 Republicans.

Would Expand Slower

Like the administration bill, the GOP plan would have expanded social security but at a slower gait.

The House vote sends the measure on to the Senate. With leaders aiming for early adjournment of this congressional session, the Senate plans to put off consideration of the bill until the next session, meeting in January.

Died Today

Robert E. Hannegan, former postmaster general and at one time owner of the St. Louis Cardinals baseball organization, passed away at his home in St. Louis.

Death to R. E. Hannegan in Heart Attack

Was Postmaster General Before Retiring in 1947

ST. LOUIS, Oct. 6.—(AP)—Robert E. Hannegan, former postmaster general and one time owner of the St. Louis Cardinals, died today at his home here.

His death resulted from a heart attack, Mrs. Hannegan said. In failing health for some time, Hannegan was ill last night and a physician was summoned to the home early today.

His wife was at his bedside. A friend who notified the press of his death said it occurred between 9 and 9:30 a. m. CST.

Hannegan, who was only 46, gave his health as the reason for selling his interest in the Cardinals last winter.

Several High Posts

Hannegan retired as postmaster general in November, 1947, to head a syndicate buying the St. Louis baseball club. He also had served as chairman of the National Democratic Committee and directed the party's 1944 presidential campaign.

Before that he was collector of internal revenue, serving in that post until he was named postmaster general by President Truman in 1945.

A prominent Catholic, Hannegan was made a Knight of St. Gregory, Grand Order of the Holy Cross, by Pope Pius XII in 1946.

Hannegan's last public appearance was at Kansas City, last Thursday at a testimonial dinner for William M. Boyle, Jr., new chairman of the Democratic National Committee. President Truman attended, and in his talk noted that Hannegan "had something to do" with Truman's becoming president.

When Hannegan sold his part of the Cardinals he told reporters he wanted to get into less strenuous activity because of high blood pressure.

Praised By Nacy

JEFFERSON CITY, Oct. 6.—(AP)—Richard R. Nacy, described Robert E. Hannegan today as "one of the really great men of this generation."

Hannegan died unexpectedly of a heart attack in St. Louis this morning.

Nacy, a Jefferson City banker, was Hannegan's assistant in heading the National Democratic Committee in 1945 and 1946.

Nacy said it was through Hannegan that he had been able to get into less strenuous activity because of high blood pressure.

Protest From AMA Trustees

CHICAGO, Oct. 6.—(AP)—Trustees of the American Medical Association said today the AMA and 16 state and county medical societies are being investigated by the anti-trust division of the Justice Department.

The board of trustees issued a statement "protesting the use of the police arm of the government in a campaign to discredit American medicine and terrorize physicians into abandoning their opposition to compulsory health insurance."

The board said that on Feb. 10 the board room of the trustees in Chicago was broken into and records of the board were thoroughly searched.

Dr. George F. Lull, secretary-manager of the AMA, said "no accusations are made against the Department of Justice."

But he called the incident one of "real significance in the chronology of events since the AMA decided to make a nationwide campaign against compulsory health insurance."

Strong Note To Russia

Protest Treatment Of Americans if They Wander into The Soviet Zone

WASHINGTON, Oct. 6.—(AP)—The United States sent a strongly worded note to Russia today protesting the "shocking" mistreatment of Americans who stray into the Soviet zone of Germany.

"This treatment the United States government finds to be in shocking contravention to the most elementary standards of international decency," the note said.

At the same time the United States, through Ambassador Kirk in Moscow, notified the Russian foreign office that "it expects that those Soviet officials who are responsible for these acts will be punished."

The American note referred specifically to the case of two American college students who "inadvertently and innocently" entered the Russian zone while bicycling and who were detained for eight weeks.

It also cited the case of Pvt. John J. Sinkowicz, an American soldier, who escaped Sept. 16 from a prison in the Soviet sector of Berlin after 10 months of imprisonment. The note said he was held under "brutal and uncivilized conditions."

"No Justification"

The note said bluntly: "There can be no justification for this kind of treatment of citizens of a friendly nation, persons whose only violation of law is purely technical at most and whose innocence of criminal charges can easily be established."

The note dispatched by the State Department described the case of the two American college students, Warren Oelsner, 20, of Oyster Bay, N. Y., and Peter Sellers, 19, of Radnor, Pa., as only the latest in a number of incidents of the same kind.

"Circumstances vary but the basic pattern is the same," it said. "United States citizens, whether civilian or military, are arrested, held for long periods, sometimes miserably mistreated, and eventually released, without charges, explanations or apologies."

The American government, the note continued, "raises the most energetic protest" against such actions by Soviet authorities in eastern Germany.

It also gave notice that the (Please turn to Page 4, Column 5)

Chest Drive Cards Issued

The cards regarding the Community Chest Kickoff breakfast which were to have been sent to the members of the Women's Division were not sent because of a shortage of time. However the women are expected to attend the breakfast which will be held at the Bothwell hotel at 8:00 o'clock Monday morning and are asked to make their reservations as soon as possible with the Chamber of Commerce office by calling telephone number 895.

All teams seem to be well organized and ready to start the drive Monday morning, according to Jack Cunningham, general chairman.

Art Morgan, chairman of the Business, District Division, has added another person to solicit from the employees of the industry. It is Pat Darnell.

Not At Point To Intervene

Lewis And Coal Operators Will Meet For a Peace Parley

PITTSBURGH, Oct. 6.—(AP)—John L. Lewis, with two words today spurred hopes for an early end to the soft coal strike. The United Mine Workers leader messaged, "will attend" in reply to U.S. Mediation Chief Cyrus Ching's call for a peace parley on the critical coal situation in Washington tomorrow.

WASHINGTON, Oct. 6.—(AP)—President Truman said today the coal and steel strikes have not yet reached the point for his intervention.

He made the statement at a news conference. Minutes earlier John L. Lewis accepted an invitation to attend a government-sponsored peace parley on the coal strike tomorrow.

The mediation talks were called by Conciliation Director Cyrus Ching, who said the coal situation is approaching a crisis.

Mr. Truman said warning of government officials that the coal and steel stoppages will hurt the domestic economy were well timed and necessary.

He then went on to say that the situation has not yet reached a stage for him to intervene.

Asked about progress in studies to find synthetic fuels, Mr. Truman said progress is being made, particularly regarding shale deposits in Utah.

He added that experiments are being carried on in Virginia on coal to provide liquid fuel.

The coal operators accepted Ching's invitation to tomorrow's conference before Lewis acted.

The United Mine Workers chief, in characteristic fashion, sent Ching a two-word telegram from White Sulphur Springs, W. Va., where negotiations on the dispute are being held:

"Will attend."

The mines have been shut down since September 1 in what Lewis chose to regard as a "spontaneous" protest against the suspension of old age pensions and welfare benefits from his fast-vanishing welfare fund.

Kaiser Grants Pensions

PITTSBURGH, Oct. 6.—(AP)—The CIO United Steelworkers made peace with Henry J. Kaiser, but spread their walkouts to two more plants today.

And as the nationwide steel shutdown over pensions reached the sixth day, the federal government—still ignoring Philip Murray's battle with big steel—announced it would try to settle the 18-day-old strike of 30,000 soft coal miners.

The ranks of 500,000 striking steel workers were joined last night by 1,500 at the

AFL Endorses Plan For A Political Drive

To Elect A 'Friendly' Congress To Insure Repeal Of T-H Law

By Norman Walker
ST. PAUL, Minn., Oct. 6—(AP)—The AFL on Wednesday endorsed a multi-million dollar political drive to elect a "friendly" Congress and insure repeal of the Taft-Hartley law.

Joseph D. Keenan, director of the AFL's Labor League for Political Education, said "the stakes are high, very high" in labor's coming political battles.

He told the American Federation of Labor convention that labor has a "fight for our existence" in special election this fall and in the 1950 congressional campaign.

Members To Contribute

Keenan and other AFL leaders outlined plans for a drive to have each of the claimed 8,000,000 AFL members contribute at least \$2 toward the labor organization's political war chest.

A report from the AFL's political committee said:

"It is the obligation of every official of the AFL to see to it that every rank and file member is given an opportunity to contribute to this fund. It is important to remember that not one cent from a union treasury (because of the Taft-Hartley law) can be spent in support of a candidate for national office."

The AFL delegates cheered Keenan's singling out of five Republican senators for special AFL efforts to defeat them. Heading the list was Sen. Taft, of Ohio. The others were Senators Donnell of Missouri, Capehart of Indiana, Millikin of Colorado and Dulles of New York.

Keenan said Taft, Millikin, Donnell and Capehart are a "pretty worn out team" deserving to be returned to private life.

Keenan gave special AFL endorsement and a promise of help in their re-election efforts next year of three Republicans and five Democratic Senators. They are Senators Morse (R-Ore), Aiken (R-Vt), Tobey (R-NH), Myers (D-Mass), McMahon (D-Conn), Elbert Thomas (D-Utah), Hill (D-Ala) and Pepper (D-Fla).

Need Five Who Are 'Friendly'

The AFL political director said the voting in Congress showed labor needs only five more "friendly" members in the Senate and

fourteen in the House in order to put over Taft-Hartley repeal and other union legislative objectives.

Keenan took up the labor-farmer political cooperation theme stressed so often recently by Democratic party leaders, saying:

"There is one thing we have learned from our experience in the political arena. The enemies of labor are also enemies of the farmer. Since our enemies are in common, the individual farmer and the city worker have everything to gain to mutual political action as voters."

"Because the reactionary forces are united against both farmers

Four Killed In Arkansas Crash

MURFREESBORO, Ark., Oct. 6—(AP)—A loaded gravel truck and an automobile crashed together on a busy highway near here Wednesday afternoon. Four persons died in the tangled wreckage.

The dead:

Wayne Gray, about 20; his wife, about 17, and one-year-old daughter and brother, Thomas Gray, 18, all of Delight (Pike county), Ark. They were riding in the auto.

The driver of the truck, Homer Tolleson, 45, of Kirby, Ark., suffered minor injuries.

Pike county Sheriff Bob Baker gave this account of the wreck: The collision occurred at the intersection of a dirt road and the highway between Narrows dam-site and Murfreesboro. The truck was pulling onto the highway from the dirt road; the car was traveling towards Murfreesboro.

The two vehicles skidded across the paved road into the ditch. The truck rolled on top of the lighter vehicle and burst into flame. The car was not ignited.

Sheriff Baker said he and Prosecutor Bobby Steele are continuing an investigation.

Murfreesboro is about 40 miles southwest of Hot Springs.

The home of Mr. and Mrs. C. J. Neitzert, of Syracuse, was a very unusual occasion Sunday afternoon when they held open house for Mrs. Neitzert's mother, Mrs. Margaret Decker, who was celebrating her 95th birthday anniversary. Mrs. Decker is in very good health and is still interested in the affairs of her country and community. She spends considerable time reading.

The home was decorated with dahlias and other fall flowers. The dining table was covered with a white embroidered cloth and centered with a birthday cake on either side of which were candles encircled with honeysuckle and at either end of the table were silver service traps from which Mrs. James McNeil and Mrs. George Henry Neitzert poured coffee or punch. Mrs. E. J. Neitzert and Mrs. Charles A. McNeil served the cakes and mints. Three of Mrs. Decker's children were present. They were: Mrs. C. J. Neitzert, Mrs. Charles McNeil and Mrs. Earl Decker. One daughter, Mrs. Floyd Roland, of Stover, was unable to be present, having been called to St. Louis to be with her daughter, Mrs. Paul Kirkpatrick and infant daughter.

Following were the guests: Mrs. Lula Neitzert, a sister of Mrs. Decker, Mrs. Charley McNeil, Mr. and Mrs. James McNeil, Mr. and Mrs. Frank McKinney, Mrs. Mary Fisher, Mrs. Lottie Wohlbeck, Mr. and Mrs. A. E. Lewis, Mr. and Mrs. Emmett Bohon, Mr. and Mrs. Leige Cook, Mr. and Mrs. Edward Davis, Mr. and Mrs. Raymond Neitzert, R. F. Dinwiddie, Mr. and Mrs. Archie Decker and two sons, Mrs. C. W. Alcorn and Mrs. W. O. Maness, all of Sedalia; Mr. and Mrs. Jess Stratton, Will Smith, Mr. and Mrs. Lewis Smith and Mr. and Mrs. George Henry Neitzert, all of Ottumville; Mr. and Mrs. Ben Broderson, of Florence; Rev. C. Marshall Renna, Mr. and Mrs. Roy Decker, Mr. and Mrs. Monroe Neale and Anne, Mr. and Mrs. Alvin Phillips, three daughters and two sons, Mrs. L. A. Palmer, Mr. and Mrs. Milton Paulwell, Mrs. Myrtle Williams, Mrs. O. A. Brunkhorst, Mr. and Mrs. Earl Decker, all of Syracuse.

Mrs. Decker received many nice gifts and cards.

The employees of the Scott's Dollar store and their guests enjoyed a wiener roast Monday night at the Knob Noster State Park.

The evening was spent in games and music.

Those attending were: Mr. and Mrs. A. A. Schultz and sons, Bobby and Alvin, Mr. and Mrs. W. M. McGee, Miss Helen Farley, Emil Kaden, Miss Adeline Ehlers, Miss Martha Hinken, D. I. World Series is Tied up

(Continued from Page One)

Lindell fumbled the ball in left field. Hodges continued to second on the error. Campanella was given an intentional walk. Roe struck out, swinging. One run, two hits, one error, two left.

Second Inning Yankees

Pitching carefully to Lindell, Roe saw the count go to 3-2, then got Lindell on a soft fly to Hermanski in short right. Johnson also ran up a 3-2 count, then flied to Snider who made a glove hand catch after nearly misjudging the ball. Coleman fouled off four consecutive pitches, then lifted an easy fly to Snider.

No runs, no hits, no errors, none left.

Third Inning Dodgers

Rizzuto gobbled up Reese's bouncer and threw him out. Jorgensen sent a high pop foul to Silvera. Depending mostly on a slow curve, Raschi got Snider to roll out—Coleman to Hennrich.

No runs, no hits, no errors, none left.

Third Inning Yankees

Silvera popped to Jorgensen. Raschi bounced out to Reese. Rizzuto slashed a grass cutter to Reese who bobbed the ball and the runner was safe at first on the error. It was the first Dodger error of the series. Rizzuto was credited with a stolen base when he slid into second ahead of Campanella's one hop throw to Reese. Hennrich grounded to Reese.

No runs, no hits, one error, one left.

Fourth Inning Dodgers

Robinson fouled off an attempted bunt, then was struck out swinging. Hermanski was credited with a three-bagger when his slice hit to right center skipped by DiMaggio who fell as he was about to retrieve the ball on the bounce. Right fielder Bauer finally fielded the ball which had rolled to the bull-pen, 400 feet away. Rackley tapped to the right of the mound and Coleman came in fast to nail Hermanski at the plate with a splendid underhand toss to Silvera. Rackley was safe at first on the fielder's choice. Hodges fielded to Bauer.

No runs, one hit, no errors, one left.

Fourth Inning Yankees

Bauer punched a Texas league single into short center but was out at second when he attempted to stretch it, Snider to Reese who made the tag. Louis Olmo was sent out to left field to replace Rackley. DiMaggio fouled off two pitches, then went down swinging on a low inside curve for Roe's first strikeout. Roe knocked down Lindell's liner back to the box and threw him out at first.

No runs, one hit, no errors, none left.

Fifth Inning Dodgers

Campanella rammed a single through the hole between third and short, but was out trying for second as Lindell, after bobbling the ball, fired into Coleman who made the tag on the sliding Campanella. Roe was called out on strikes. Reese worked the count to 3-2 then sent a sharp grounder to Johnson who threw him out.

No runs, one hit, no errors, none left.

Fifth Inning Yankees

It was announced that Rackley had suffered a pulled muscle in his back on Bauer's opening single in the fourth inning. Johnson swung at Roe's first pitch and raised a short pop foul to Campanella. Coleman drove a double inside the third base line. Reese raced behind Jorgensen to make a fine stop of Silvera's grounder and threw him out with a long accurate throw, Coleman going to third on the play. Raschi went out on a slow roller to Jorgensen.

No runs one hit, no errors, one left.

Sixth Inning Dodgers

Jorgensen's high lazy fly drop-

ped inside the left field foul line for a double with both Lindell and Rizzuto making a game but futile try to catch the ball. DiMaggio loped in for Snider's high pop fly in short center. Jorgensen holding second. Robinson bounced out, Rizzuto to Hennrich, with Jorgensen going to third. Hermanski grounded to Hennrich who picked up the ball with one foot on the bag for the unassisted putout.

No runs, one hit, no errors, one left.

Sixth Inning Yankees

Rizzuto grounded to Hodges who beat him to first for the putout. Hodges reached up for Hennrich's high hopper and flipped to Roe who covered first for the out. Jorgensen scooped up Bauer's sizzling grounder and threw to Hodges for the out.

No runs, no hits, no errors, none left.

Seventh Inning Dodgers

Olmo singled to right. Hodges grounded to Rizzuto who started a double play, the shortstop to Coleman to Hennrich. Campanella flied to Lindell deep in left center.

No runs, one hit, no errors, none left.

Seventh Inning Yankees

DiMaggio looked at a ball, fouled off the next pitch, then grounded out, Jorgensen to Hodges. Lindell flied to Olmo. Johnson's low line drive dropped at the feet of Olmo for a single. Johnson was credited with a stolen base, sliding in ahead of Campanella's throw to Reese who was late covering second. Coleman rolled out, Robinson to Hodges.

No runs, one hit, no errors, one left.

Eighth Inning Dodgers

Roe was given a rousing ovation as he came up to bat. Roe went down swinging. Rizzuto took Reese's sharp grounder and threw him out. Jorgensen lined right in to the hands of Coleman.

No runs, no hits, no errors, none left.

Eighth Inning Yankees

Johnny Mize went in to hit for Silvera. Mize singled in front of Hermanski in short right. Geo. Stirnweiss was sent in to run for Mize. Bobby Brown, another left handed batter, went to pinch hit for Raschi. Brown was called out on strikes after he had tried to bunt twice but held up each time. Rizzuto laid down a sacrifice bunt between third and the mound and was safe when Roe, in his haste to pick up the ball, fumbled for an error. It was ruled a sacrifice and an error. Stirnweiss stopped at second on the play. Hennrich worked the count to 3-2 and then flied to Olmo, the runners holding their bases. Bauer hit a 3-1 pitch on two bounces to Jorgensen who whipped to Robinson forcing Rizzuto at second.

No runs, one hit, one error, two left.

Ninth Inning Dodgers

Joe Page, who has made 60 relief appearances for the Yankees during the regular season, came in to pitch. Gus Niarhos replaced Silvera behind the plate. Snider singled past Rizzuto into left. Robinson laid down a sacrifice bunt inside the first base line and was out, Hennrich to Coleman who covered first. Carl Furillo batted for Hermanski. Furillo popped to Coleman. Olmo was an easy out, Rizzuto to Hennrich.

No runs, one hit, no errors, one left.

Ninth Inning Yankees

Mike McCormick went to right field for the Dodgers. With the count of two strikes and no balls, DiMaggio tapped a slow roller between third and the mound and beat Jorgensen's throw for an infield single for his first hit of the series. Lindell fouled off an attempted bunt, then went down swinging, missing a low pitch that almost hit the dirt. Johnson fouled off two pitches, then raised a high pop to Robinson who made the catch a few feet inside first base. Coleman flied to McCormick who made the catch in short right

Steel company in Atlanta and 2,800 at the Riverdale plant of the Acme Steel company near Chicago.

Atlantic City is a basic steel plant which also does some manufacturing while Acme's Riverdale plant is primarily a fabricator. Despite these developments there are no signs of an early peace in the double-barreled steel-coal walkout.

Sporadic violence marks the coal strike. A few thousand non-union miners continue digging with protection of heavily armed guards and police.

Kaiser Steel's acceptance of contract demands was announced last night by Murray, president of the steelworkers.

Kaiser did what big steel refuses to do. It signed an agreement to give four cents per man-hour for insurance and six cents an hour for pensions paid completely by the company. The plan is retroactive to Oct. 1. Thirty-five hundred employees at its Fontana, Calif., plant will benefit. Their contract was due to expire October 15.

The Kaiser agreement, which follows the exact recommendations of the presidential fact-finding board, is the first reached since the strike began. And the west coast firm is the second basic steel producer to accede to the union's demands.

Portsmouth (Ohio) Steel, with 4,000 employees, signed before the strike deadline six days ago. Standard Steel Works of Burnham, Pa., a division of the Baldwin Locomotive Works, employees also agreed to a pension and insurance program before the strike began.

The government is showing no indications of stepping into the steel strike soon, but Cyrus Ching, director of the federal mediation and conciliation service, summoned John L. Lewis and coal operators to Washington tomorrow.

Navy Suspends Capt. John C. Crommelin

(Continued from Page One)

action was taken by Price. The Navy then issued an announcement which said: "By direction of Navy Secretary Matthews, Admiral Louis Denfeld, chief of naval operations, has taken steps to have appropriate charges placed against Captain Crommelin."

It added that pending preference of these charges, Crommelin had been suspended from duty and restricted to his home. Indicating that he anticipate a court martial trial, Crommelin told reporters that a close friend, Capt. J. L. Kane, chief of naval aviation plans, would be his attorney.

Under Navy procedure the office of inspector general will make an investigation and recommend action to the Navy high command. Rear Admiral H. R. McCann is inspector general.

If the inspector general's office finds that Crommelin has violated Navy regulations it could recommend court martial.

When Crommelin arrived at his office this morning he found orders to report to McCann's office. He was on his way there when a naval officer met him and instructed him to go instead to see Price.

Crommelin was closeted with Price only a few minutes. He took with him a light blue cloth bound book of Navy regulations.

Only last night, Crommelin had acknowledged that it was he who "leaked" to the press on Monday the correspondence in which three admirals noted concern about Navy morale under the existing defense setup. The 46-year-old captain noted in a statement that it was a violation of regulations but said that it was only "technical" and that he acted for what he believed to be the good of his country.

Crommelin told reporters he did not know what the Navy department would do about it but that he was ready to take the consequences.

On Capitol Hill, one result of Crommelin's action was to spur a congressional airing of deep-seated differences, particularly between the Navy and the Air Force, over military policy. The House armed services committee ordered it.

Strong Note to Russia

(Continued from Page One)

United States demands that the "elementary rights of its citizens be observed in the future in accordance with international comity which governs the conduct of all civilized states."

In referring to the case of Oelsner and Sellers, the State Department noted that they were never considered even by Russian authorities in Germany to be criminals or spies. Nor were formal charges ever preferred against them.

"In short, two American students, in Europe as tourists, whose identity and harmless purpose could never have been long in doubt, have been treated as criminals, subject to long incarceration, and not allowed to communicate with their families or their government."

House Votes For Bigger SS System

(Continued from Page One)

The bill would:

1. Extend old age and survivors insurance to 11,000,000 (M) more workers, raising the number covered from 35,000,000 to 46,000,000.
2. Boost benefits by 70 per cent or more.
3. Create new disability insurance.
4. Increase payroll taxes gradually over the next 20 years to 3 per cent on both worker and his employer.

Some of its sponsors voiced hope the legislation would ease the demands of some labor groups for special pension plans financed wholly by employers.

When sending the bill to the House, the ways and means committee said in a report that private company-financed programs endanger the federal security system.

Interesting To Watch

Congress now will watch to see what effects the House action will have upon strikes and threatened strikes over company-financed pensions. Pensions are the issue in coal and steel walkouts.

For President Truman, it was a big step toward enactment of what he calls his "fair deal." The President, however, had asked that 20,000,000 more workers be brought under the insurance program. The House made it 11,000,000.

Among the major groups still left out by the bill are farm operators, farm hands and professional people—doctors, lawyers and editors. Ways and means members told the House that farmers and professional people showed no great desire to get into the program.

Brought under the program for the first time would be millions of self-employed persons—bankers, bakers, grocer; domestic servants; employees of local government, and many other groups.

Some Republicans assailed the bill as "socialistic." Most of them favored expanding the program but objected to some features of the administration measure.

Opposing the bill in final passage were two Democrats and 12 Republicans. They were Reps. Byrnes (R-Wis), Case (R-SD), Church (R-Ill), Clevenger (R-Ohio), Crawford (R-Mich), Davis (D-Ga), Eaton (R-NJ), Gwinn (R-NY), Hoffman (R-Mich), McMillen (R-Ill), Mason (R-Ill), Wint Smith (R-Kas), Howard W. Smith (D-Va), and Taber (R-NY).

Rep. Rankin (D-Miss) voted "present." Southern Democrats, who have joined Republicans in opposing some administration bills such as labor legislation, led the fight on the GOP social security measure and lined up almost solidly to help defeat it.

affairs of the new district and will make plans for the future.

It will be within the power of the school board of the newly created district to decide whether to operate all existing schools (attendance units) within its administrative area in the future, or whether to close some of the schools and transport pupils to another school. The law does not require the board to close all existing schools and transport pupils to a central school within the district.

If, in any proposed reorganized district, the voters reject the proposition, all schools contained in that district will continue to operate under their present administrative plan with a separate school board for each district.

The county board of education will meet again tonight in the office of county superintendent of schools to perfect plans for the election on November 1. Additional details of the proposed reorganization and plans for the voting will be carried in later issues of the newspaper.

Chevrolet

Awards Its Mechanics

Diplomas Presented At Dinner Meeting Wednesday Night

Service mechanics from Chevrolet dealerships in this area who have passed examinations at the conclusion of a rigid, Chevrolet approved training course, were honored Wednesday evening with a dinner at the Bothwell hotel, given by the Chevrolet Motor division.

Bill Franke, Zone Service manager of Kansas City conducted the meeting. He praised the mechanics for their loyalty and ability as he handed each a diploma certifying that he is an "approved mechanic." A total of 88 mechanics from dealerships in this area were awarded the diploma. Of this total sixty were honored as approved mechanics, twenty-six as approved body mechanics and two as approved radio mechanics.

Nationwide Program

They were among more than 25,000 Chevrolet service mechanics similarly honored throughout the nation.

Chevrolet officials expressed gratification that nine of the total who passed the examinations in this area have done so for ten years or more. Special ten-year pins were awarded for the first time to mechanics.

The lessons in the training courses are arranged so that they lead up to the examination period, in May and June of each year. The examinations are conducted by Chevrolet in every sales district of the country. The mechanics who have taken the training courses are brought to a central point for the examination and for a dinner.

Examination papers are graded by service department officials in the zone offices and results are forwarded to the Central offices in Detroit, Mich., where they are tabulated and diplomas are prepared and presented at district and zone meetings such as this one.

Yankees Are Choice Team To Win Series

Reynolds And Newcombe Staged A Pitcher's Duel

By Jack Hand

NEW YORK, Oct. 6.—(P)—Allie Reynolds' amazing two-hit shut-out of Brooklyn boosts the New York Yankees into the driver's seat in the 46th world series.

Now Manager Casey Stengel has the edge. He can gamble and lose. Still confident of no worse than an even break. For "gambling" purposes he has a fit and ready Vic Raschi, the hero of Sunday's pennant clincher against the Boston Red Sox.

Burt Shotton, elderly keeper of the Brooks, can't afford to miss with this afternoon's choice of Preacher Roe, the angular Arkansas traveler.

After yesterday's 1-0 victory, made possible by Tommy Henrich's last of the ninth home run, the price makers rubbed off the old 10 to 17 odds favoring the Yanks and made it 1 to 3. For today's pairing of Raschi vs. Roe, they quote 10 to 13 with New York the choice.

66,224 Fans
Few series games have produced better duels than the one Reynolds, the 31-year-old Oklahoman, and big Don Newcombe, the Dodgers' 235-pound Negro rookie, staged for 66,224 fans yesterday at the Yankee Stadium.

It was a soul-satisfying triumph for Reynolds because "old wahoo" has been blistered all season in the public prints. Folks point at his 17-6 record and sneer "yeah, but only four complete games. Where could he be without Joe Page?"

Reynolds supplied the answer in spades. Never was he better. His curve ball drifted past Dodger bats like the blue haze of the sultry October afternoon. Page spent the afternoon sitting, not throwing, in the bullpen.

Page, of course, is the relief ace who followed Reynolds in 20 of the 31 regular season games he started. The Reynolds-Page corporation has been dissolved, temporarily, at least.

Disheartening Setback
For 25-year-old Newcombe, making his first series appearance, this was a disheartening setback. Big Newk, the jumbo-sized freshman, pitched good enough to win 90 per cent of the time. He yielded only five hits, two to Reynolds. This just didn't happen to be his turn.

Newsom's 11 strikeouts were close to the series high of 13, hung out by old Howard Ehmke, that October day in 1929 when Connie Mack unveiled him as his surprise starter against Chicago.

As fine as Newcombe was, Reynolds had to be better. The first-inning double by Spider Jorgensen that Johnny Lindell failed to reach after a late start, might have been caught. Allie didn't allow another hit until Pee Wee Reese singled to center with one out in the eighth. He fanned nine.

They might still be out there, pitching their arms away, if "Old Reliable", Henrich, the Dodger hex, hadn't poled a Newcombe pitch among the right field seats. Between them they struck out 20 men, only two short of the record set in the 1944 St. Louis Cards-Browns series.

Flatbush Remember Henrich
The good folks of Flatbush have reason to remember Mr. Henrich from previous meetings. Tom is the man who was "struck out" by Hugh Casey in the 1941 series only to have Mickey Owen drop the third strike. In the ensuing confusion, the Yanks scored four runs to win a game in which Henrich should have been the last out.

Two years ago Henrich's hitting, including another homer, was a decisive factor in the Dodgers seven-game loss to the Yanks.

Henrich Strictly Poison To "Bums"

NEW YORK, Oct. 6.—(P)—Tommy Henrich is strictly poison to the Brooklyn Dodgers.

Henrich, who homered in the ninth inning yesterday to give New York Yankees a 1-0 victory over the Dodgers in the first game of the 1949 world series, always has been a pain to the Dodgers. Exactly eight years ago on Oct. 5, 1941, Henrich struck out in the ninth inning at Brooklyn for what appeared to be the final out of the game but catcher Mickey Owen dropped the ball and Henrich reached first safely. The Yanks promptly tied off and scored four runs to win the game, 7-4.

The next day the Yanks beat the Dodgers, 3-1, to take the series four games to one. One of the Yanks runs was a home run by Henrich.

A home run by Henrich helped the Yanks win the second game of the 1947 series against the

Minnesota Is Picked Over Northwestern

Southern California Is Given One-Point Over Ohio State

CHICAGO, Oct. 6.—(P)—Pushing a few numbers out of this week's football punchboards:

Minnesota 21 Northwestern 13—scouts are impressed with the Gophers' two opening triumphs over Washington (48-20) and Nebraska (28-6) and believe it will take a mighty good team to keep them from the Rose Bowl and Big 10 championship. . . Northwestern will come back hopping mad after being upset 16-7 by Pitt, but we figure Minnesota—clicking in midseason form—is better by a touchdown or so as it starts its conference campaign.

Iowa 19 Illinois 13—should be quite an aerial show between Glenn Drann, who led the Hawkeyes over Purdue 21-7, and Illinois' Bernie Krueger. . . Illinois showing it has far from jelled in 20-20 and 13-13 stalemates with Iowa State and Wisconsin, figures to lose to Iowa for the first time in seven years unless it can cement defensive weakness. . .

Michigan 20 Army 13—the Cadets have frolicked to a pair of easy wins and come up to their first big test with full wind. . . But it won't be quite enough to blow over Michigan, ranked No. 1 in the AP national poll after edging Michigan State 7-3 and trouncing Stanford 27-7. . .

Southern California 14 Ohio State 13—this toss-up could conceivably be a sneak preview of the Rose Bowl game. . . The Trojans, playing at home, rate a shade over a team classified in the top four of the Big 10. . .

Notre Dame 27 Purdue 7—the Boilermakers, victims of Northwestern and Iowa, hope Harry Szulborski will be able to go at

Dodgers. Tommy led off the fifth inning with a homer to give the Yanks a 4-2 lead. The Yanks went on to win, 10-3.

Vikings Meet a Tough Foe Friday

Missouri Valley college traveled to the Refrigerator Bowl in Evansville, Ind., last December 4, with an undefeated record that extended back to 1942. Their foe on that day, Evansville college, put the first red mark on the Viking register by the score of 13-7, and thus pleased a record crowd of 8,700 rabid football fans.

Now another football season has been well started and the Purple Aces of Evansville are coming to Marshall to see if they can make it two straight, and just as anxious to mix it up will be the Missouri Valley squad that is still smarting under the loss of last season. Both teams will enter the game Friday night with three straight wins in the '49 campaign.

Evansville has won from Morehead Teachers of Kentucky, Butler University of Indianapolis, and Western Kentucky Teachers. Missouri Valley has defeated Bethany, Kirksville Teachers and Ottawa University of Ottawa, Kas.

Evansville will bring a large squad to Marshall and among the group will be twenty-two lettermen. The Aces, members of the Ohio Valley Conference are rated as the team to beat in their own league.

Wrestling Season Opened Wednesday

The 1949-50 wrestling season in Sedalia got off to a "bang" Wednesday night with a lot of action on the participants, but before not too large an audience. Ronnie Etchison who was hailed as the favorite in the main event met defeat with Lord Albert Mills of Alberta, Canada, being the winner.

Mills in the first fall took charge over the St. Joseph, Mo., heavyweight and won the fall with a rolling front headlock in 10 minutes and five seconds. Etchison came back and succeeded in getting his famous giant swing and won in five minutes and 34 seconds. The abdominal stretch won for Mills in the third fall in six minutes and 48 seconds.

The semi-final match went to a draw after Jack Sulek of Chicago used a top body press on Cliff Olson, Henning Minn., in 18 minutes and 40 seconds. Olson came back to take the second fall in eight minutes and 34 seconds, using the Irish whip. The time ran out and the match was declared a draw by Referee Jack Hader.

In the opening event Walter Siros, Montreal, Canada, pinned Emir Badui, of Lebanon with a Boston crab hold. Time of the event was 17 minutes and 46 seconds.

The matches will be held each Wednesday night at the National Guard Armory under the auspices of Pettis County Post 16, American Legion.

Missouri is Counting on Dick Braznell

To Play a Big Part in Its Game Against The Aggies

KANSAS CITY, Oct. 6.—(P)—Among the more under publicized backs in the Big Seven conference is Missouri's Dick Braznell.

A 176-pound senior from University City, Mo., Braznell has been a ground gobbler for Coach Don Faurot's split-T Tigers for three seasons.

Missouri is counting on Braznell's running to play a big part in its game with Oklahoma Aggies at Columbia, Mo., Saturday. Braznell outrushed the great Doak Walker in SMU's 28-27 victory over the Tigers last week. The Tiger got 114 yards in 11 rushes, Walker 105 in 29. Braznell also gained 89 yards on three kickoff returns, completed two passes for 41 net yards and caught two for 37 yards, one a touchdown play.

Top Rusher
Last year he was top rusher for Missouri with 484 yards, a 5.4 yard average. Braznell again is leading his team in rushing with 193 yards on 29 plays. He also leads the Tigers in kickoff returns and total offense.

V. L. Spurling, Missouri business manager, predicts that 30,000 will see the Aggie game if the weather is favorable.

The Oklahoma Sooners, who meet Texas at Dallas in one of the choice games of the week, continued to concentrate on such fundamentals as pass defense and kicking. They've been laying off contact work.

Iowa State to Boulder
Iowa State, which has its best record in years in the making, will leave tonight for Boulder, Colo., and Saturday's game with Colorado Buffaloes. Iowa State is the favorite.

At Lincoln, Neb., Coach Bill Glassford was pleased with the scrimmage work of his Nebraska Cornhuskers who play Kansas State at Manhattan, Kas. The squad is in excellent physical trim.

Kansas coach Jules V. Sikes shifted big Mike McCormack from guard to tackle on the defensive team Kansas will use against George Washington university at Lawrence, Kas. Center Bob Drumm bobbed up with a charley horse and may not be able to play.

Lineman of Week Is Art Weiner

CHAPEL HILL, N. C., Oct. 6.—(P)—"It's about time." That's the general reaction hereabouts to the news that Art Weiner, the giant left end of the University of North Carolina football team, is this week's Associated Press poll lineman of the week.

The pass-catching whiz from Newark, N. J., is in his fourth year of high-powered play for Carl Snavely's Tar Heels.

A six-foot, three and one-half inch, 212-pound halfback, he presents a splendid target for his passers.

His first play for the Tar Heels three years ago as a freshman gave a sharp hint of the brilliance he was to flash. He scampered for a touchdown against Virginia Tech on a Snavely end around special.

The job that won for him this week's citation was turned in against Georgia last Saturday. Big Art grabbed six passes for 103 yards and the first and last touchdowns in the Tar Heels' 21-14 victory.

Against North Carolina State the week before he caught seven passes.

He was closely pressed for national honors in this week's poll by two guards. Iowa's Earl Banks was outstanding against Purdue and Southern Methodist's Jack Halliday did a bang-up job against Missouri.

Fox, Coon And Bird Dog Meet

TIPTON, Oct. 6.—(P)—On next Thursday, Friday and Saturday, October 13, 14 and 15, will be held the annual Montauk county Fox, Coon and Bird Dog meet at the John Turpin farm at the Turpin bridge, three miles south on the Latham farm-to-market road.

This is the third annual meet since the war, the association having disbanded during war years. There is no admittance charge to the hunt which is operated entirely through donations. There will be \$200 awarded as cash prizes on bench show dogs.

Thursday night will be the bird dog bench show; Friday night, coon dogs, and Saturday night, fox dogs.

There will be fox and coon races every night, a pet show for kiddies and other entertainment will be provided for each night of the event.

Cols Frank Miller, Otto Orscheln, William Winebrenner and Willard Vaughan will be masters

Polio Victim Just Couldn't Stay Neutral

NEW YORK, Oct. 5.—(P)—Bruce Howard, 8½-year-old polio victim, threw out the first ball of the world series today but he couldn't remain neutral.

"I hope the Yankees win," the New York youngster blurted after heaving the ball. Howard, who was stricken with his six-year-old brother this summer, was the guest of Baseball Commissioner A. B. Chandler. He represented the thousands assisted by the National Foundation for Infantile Paralysis.

Cardinal Fans Watch Series But Are Quiet

Most Have A Better View Via Television; Spirit Isn't There

ST. LOUIS, Oct. 6.—(P)—"Oh, it's good to see it on television, fine, but what kind of a world series is this?—no Cardinals."

A St. Louis fan was watching the screen and sipping his beer, but he didn't have much to say. Judging by what he and the others did have to say, it didn't really matter who won.

Not even the wonder of television, which brought the big show to more fans than ever before, could do away with the disappointment of seeing St. Louis finally flub the National league flag away to Brooklyn.

Don't Kick "Bums" Around
The old raw partisan spirit wasn't there. You didn't hear them kicking the word "Bums" around as they did all season.

Maybe the rain put a damper on them. A big policeman in a dripping raincoat stepped in. "Really pourin' out there," he said. That was all, and he, too, turned to the screen.

Cold and impartial right up to the end of the game, they scored the contenders on strikeouts. "Now they've got nine apiece. . . Ten for Newcombe. . . That makes number eleven."

For one thing, most of them had a better view than ever before. One sharp-eyed spectator watched Allie Reynolds fire them across at Pee-wee Reese and said, "Looks like he's pickin' on that right hand corner every time."

"Arms Like An Ape"
Again, with Berra at bat, "look at that yog-eye. He's got arms like a ape."

"Yeah, that's from throwin' that spaghetti."
Tommy Henrich's homer was enough to haul them off their stools and out of their chairs and there was one tense moment of confusion.

"Foul!" someone cried, before the announcer could say. Very shortly, from down the bar, came the clinching rejoinder:

"It's no foul, you dope, can't you see?—he's touchin' the bases!"

Capot In Victory Over Coaltown

NEW YORK, Oct. 6.—(P)—Groentree Stable's Capot scored a stunning victory yesterday over Coaltown Farm's Coaltown in the \$20,000-added Sysonby mile at Belmont Park.

The Green tree three-year-old, one of the leading candidates for the season's championship in his division, was clocked in 1:35 3/5 as he handed Coaltown his second defeat in 14 starts this year. Coaltown set a world record for the mile of 1:34 at Washington Park in August.

H. W. Collins' Manyunk was third and last. The field was cut to three starters by the scratchings of Ponder, Calumet's candidate for three-year-old honors, King Ranch's Assault, and Collins' Safe Arrival.

The winner, ridden by Ted Atkinson, returned \$8.20 for \$2, with no place or show wagering. Steve Brooks got Coaltown a 1 to 10 favorite, away in front down the backstretch, with Capot only a head back at the first quarter.

They battled around the turn and into the stretch, with Coaltown leading by only about half a length.

Capot, winner of the Preakness and Belmont stakes in his campaign for three-year-old honors this spring, closed ground in the stretch to beat Coaltown at the wire by a length and a half.

of ceremonies with Louis Lachner as master of hounds.

Officers are: Charles Stephens, president; Prunes Schmidt, assistant to the president; Mack Yarnell, vice-president; Charles M. Johnson, secretary-treasurer. Members of the board of directors are: Leo Kiely, Jack Powell, James R. McDonald, Junior Snorgrass, Homer Long and Roy Turpin. The late Ira Brock was also a member of the board.

Co-operating in the Fox, Coon and Bird Dog meet is the Montauk county chapter of the Conservation Federation of Missouri.

It's Brooklyn in the Bronx

A touch of Brooklyn was transplanted to the Bronx as the faithful gathered to see "Dem Bums" grapple with the Yankees. Apron and all, Mrs. Carrie Koschnick (center) of Brooklyn braved the trip into the hinterlands beyond the East River, but came well fortified with groceries. Helping whom things up during lunch is Mrs. Mary Widman (right) of Maspeth, in Brooklyn's neighboring borough of Queens. (AP WIREPHOTO)

Sooner Spies Got Hold of Texas Letter

Quoted Texas as Scrimmaging Hard Against Okla. Plays

By Saul Feldman

NORMAN, Okla., Oct. 5.—(P)—Memo to Texas football coach Blair Cherry:

The University of Oklahoma is pushing practices a little harder for its game with your team at Dallas Saturday after your statement yesterday.

Said Cherry: "We don't aim to go all out in an effort to win. We have too many tough games ahead to shoot the works against Oklahoma."

Coach Bud Wilkinson, Oklahoma received the news calmly. There was no panic. But at practice linemen blocked a little harder, runners scooted faster and punts sailed farther.

Oklahoma defeated Texas 20-14 last year for the first time in eight seasons. Seventy-five thousand persons will witness this year's classic in the Cotton bowl.

Wilkinson's Comment
Wilkinson's only comment on Cherry's statement was the opinion that when a team is beaten by an arch rival it's usually double tough on the winner the next year.

Oklahoma players who learned of Cherry's remarks also were briefed on an underground report.

Oklahoma's spies sneaked out of Texas a confidential news letter mailed to Texas alumni on prospects against the Sooners.

It told about Texas' 56-7 defeat of Idaho last week at Austin and added:

"Texas wasn't well prepared for Idaho"—had little scout dope and worked nearly all last week on Oklahoma.

Cherry's mild chance-taking paid off by giving Texas an extra week to get ready for Oklahoma.

It quoted one Texas player as saying hard scrimmages were held last week against Oklahoma plays. He said they got one look at Idaho plays.

"We didn't use a single play today against Idaho that we will use against Oklahoma," Randall Clay, Texas right half, was quoted as saying after the game.

It isn't Mr. Cherry, that Oklahoma doubts your statement. It's just that the Texas wind gets pretty strong — and hot — by the time it reaches Oklahoma.

Manyunk, always trailing, was three lengths back of Coaltown. Coaltown last was beaten by Star Reward in the Equipse mile at Arlington Park, Chicago, June 25.

This was Capot's fifth victory in 14 starts this year. He earned \$16,300 and boosted his 1949 earnings to \$220,835.

Amateur Golfers In Warm up Meet

FORT SMITH, Ark., Oct. 6.—(P)—Some of the nation's top ranking amateurs shot their way through qualifying rounds today opening the quest for the 1949 Willard Memorial Golf championship.

Favorite roles have been cast for four of the swingers who started the trek over the 6,495-yard, par 71 course this morning.

National intercollegiate titlist Harvie Ward of Tarboro, N. C.; former national amateur king Skeel Reigel of Tulsa, Okla.; Dale Morey of Indianapolis, twice Indiana state champion and former two-time champion Wilford Wehrle, Louisville, Ky.

Former Arkansas champion Vince Allison of Fort Smith and all service champion Capt. Fred Moseley of Washington also have top billing as contenders.

Defending champion Frank Stranahan, the Toledo wizard, will not be on hand to defend his crown.

Two rounds of 18 hole match play will be reeled off Friday over the Hardscrabble Country club course. Two more rounds will be played Saturday and the championship will be decided in a 36-hole match Sunday.

Formerly known as the Hardscrabble Invitational, the tourney was renamed this year in honor of its founder, the late Clyde B. Willard.

Royals And Indians Are Eager to Start

INDIANAPOLIS, Oct. 6.—(P)—The Montreal Royals and the Indianapolis Indians will try again tonight to get the Indianapolis playoffs of the Little World Series started.

Rain last night forced postponement of the fourth game of the best-of-seven series between the playoff champions of the International league and the American Association. Indianapolis came home with a 2-1 lead after three games at Montreal.

Manager Al Lopez of Indianapolis and Clay Hopper of Montreal expect to go along with last night's pitching choices tonight.

Southpaw Joe Muir, three-hit victor in the first game at Montreal, will pitch against the Royals again. Clarence Pobleian, who looked sharp in relief in that game, will start against Muir.

FALSTAFF WINS TOP VOTE

TODAY—AMERICA'S LARGEST-SELLING POPULAR-PRICED BEER

FAITHFULNESS TO PREMIUM QUALITY WINS REWARD

*Even shortages
brought no change
in High Quality*

Despite Heavy Demand
Falstaff Restricted Production
to Maintain Famed
Premium Quality

Ever since the war, the terrific demand for Falstaff has far exceeded the supply. To meet this demand, Falstaff could have lowered its standards. But it never would.

Falstaff preferred to restrict production—using its rationed amount of first quality ingredients to brew a rationed amount of Premium Quality beer. A beer that would always give you the delicate aroma of the flower of the hops—pleasingly mild and mellow flavor—that only the finest ingredients and brewing skill can produce.

The result, always, has been beer of such fine character it's consistently grown in demand... until Falstaff today is America's largest-selling popular-priced beer.

Now in Full Supply in 20 States

Now Falstaff can satisfy the tremendous demand for this famous beer, and still maintain its famed Premium Quality.

Expanded brewing facilities—including more and enlarged aging tanks and super-modern equipment—plus additional skilled personnel—now permit Falstaff to brew enough fully aged, smooth and mellow Premium Quality Falstaff for everyone.

Nearly 3 million bottles packaged daily.

**World-Renowned Falstaff
Brewmaster says:
"NO SHORT CUTS"**

Mr. Louis Walther, V. P. and Technical Director of Falstaff Brewing Corp., internationally famous master-brewer says: "Short cuts in brewing can't produce a premium quality beer. Falstaff has been famous for Premium Quality for three generations because Falstaff is brewed in the old time-proven way. Fully aged for smooth mellowness! Always carefully brewed to make Falstaff 'The Choicest Product of the Brewers' Art'."

Wherever it goes—Falstaff is the toast of the town! Pleasing so many more people it's now America's largest-selling popular-priced beer. Enjoy a bottle yourself today. Here's a beer

so clear you instantly see that it's better. So good to your taste you know it's Premium Quality. Yes, every glass of Falstaff tells you—there's no finer beer at any price!

*Same Premium Quality That Made
Falstaff Famous 3 Generations Ago
Now More Popular Than Ever!*

TO MEET TREMENDOUS DEMAND ALMOST 3 MILLION BOTTLES PACKAGED DAILY

Time marches on, and each year Falstaff gains in popularity. It's always the Premium Quality Beer you remember with pleasure and look forward to enjoying again and again!

Grandfather proudly raised a glass of Premium Quality Falstaff in a man-to-man toast when Junior reached "Man's Estate". Today, three whole generations have passed along the good word about Premium Quality Falstaff—so steadily, so enthusiastically that Falstaff is now America's largest-selling popular-priced beer. Yes, brewing industry figures prove that more bottles of Falstaff were consumed last year than any other popular-priced beer.

Still Climbing in Popularity!

Brew a beer of unquestioned Premium Quality—bring it to its friends at a popular price—and the sky's the limit to its demand. So Premium Quality Falstaff is still climbing in popularity. So much so that three times more people are enjoying Falstaff today than just a few years ago. And just two words can tell you why—Premium... Quality!

Be sure to get a couple of cartons of famous Falstaff yourself soon. Try this Premium Quality beer whose flavor never changes... a beer you can always enjoy. And give your friends a treat, too! Here's the easiest, surest way to compliment their good taste, to serve what they're sure to like. Remember, more people enjoy Premium Quality Falstaff than any other popular-priced beer.

Yes, its brilliant sparkle, its tempting aroma of the flower of the hops, its mellow, distinctive flavor tell everyone: Falstaff is always the choicest product of the brewers' art!

No Other Beer Has Same Famous Flavor

\$1,000,000 YEAST INSURED BY FALSTAFF

Falstaff is brewed with a yeast so rare, so precious it's insured for one million dollars. Yeast is important to beer in its flavor-building quality. And no two yeast cultures are alike, which explains the tremendous value of Falstaff's yeast.

Falstaff's famous yeast is one of the world's very few yeast cultures kept alive straight through many generations, including the prohibition years. Nothing could take the place of this thoroughbred strain of remarkable purity and flavor-

building ability.

In addition to the Premium Quality malt, hops, and rice used in brewing Falstaff, it is this yeast—unique as any human family characteristic—which gives Falstaff a flavor no beer can duplicate. A flavor that's always premium quality, uniformly good, wherever you buy and enjoy your Falstaff!

Called "The Choicest Product of the Brewers' Art"—3 Generations Ago—Today, too!

Famous for Premium Quality year after year—Falstaff's the favorite of modern America, too. Some things never change. And one is that taste for flavor right out of the good old days... Premium Quality Falstaff flavor!

Treat your taste to Falstaff today. Enjoy the distinctive, mellow goodness of this grand old aristocrat of beers. Premium Quality, yes! But sold at a popular price! No wonder Falstaff is America's largest-selling, popular-priced beer!

Get a case today! Also available in handy-carry cartons of six "one-way" bottles, and light, compact cartons of 12 or 24 cans!

VA Blames Incident
On Administrative
Delays And Protests

WASHINGTON, Oct. 6—(AP)—Veterans Administration Wednesday canceled its month-old restrictions on the educational rights of war veterans.

It installed a more liberal set, but called on Congress to pass legislation to "prevent grave abuse" of the benefits granted in the GI "bill of rights" laws.

VA Administrator Carl R. Gray warned that, unless the law is cinched up, educating servicemen may cost the taxpayers \$60,000,000,000.

Yielding To Protests
The Senate labor committee was called into closed session tomorrow by acting chairman Pepper (D-Fla.) to study this as well as some VA rulings on which Pepper said complaints have been received.

Yielding to protests from congressmen and many others, Gray repealed his controversial "instruction 1-A" which limited veterans in changing courses or schools.

The ruling was to take effect Sept. 12. But veterans heard nothing about it until Sept. 15 when the official announcement was made. Many ex-servicemen already had arranged shifts in schooling by then. An outcry arose from students and from school officials. VA blamed the incident on administrative delays.

"1-A" Required veterans to give special justification before being allowed to resume interrupted courses, transfer to new studies or colleges, take post-graduate work, or enroll in schools established since September, 1944. All this was repealed in today's action. Further, students may take flight training if this is required for graduation from the school. Justification must be obtained. But if flying is a voluntary course, and the government will not foot bills in schools established less than one year.

No Architect Yet
For State Building

JEFFERSON CITY, Oct. 6—(AP)—An all day session produced no architect to design a new state office building Wednesday. The state board of public buildings will resume its interviews of competing firms next Monday. The board interviewed representatives of 14 firms today in a meeting lasting almost seven hours. Afterwards Lt. Gov. James T. Blair, Jr., and Attorney General J. E. Taylor reported no agreement on a final selection. The building site has been selected on Capitol avenue just west of the Governor's hotel—and Taylor said his office is drafting the preliminaries to a condemnation suit to acquire the tract. The owners asked about \$235,000 although the property is assessed for tax purposes at only \$23,100. The board decided to meet again Monday to hear architects they were unable to be present today.

Demands On Chrysler
Have Been Tailored

DETROIT, Oct. 6—(AP)—Union demands on Chrysler Corp. were tailored to fit in with the recent pension settlement with Ford. Union representatives of Ford's 115,000 production workers meanwhile approved that settlement. In a closely related development, strikebound Great Lakes Steel Corp. contended it already has gone far beyond the presidential fact-finding board's pension recommendations, on which the Ford plan was based. Details of the CIO United Auto

RED APPOINTEE—Walter Ulbricht, above, Communist chairman of the German People's Council, is mentioned as the prospective chancellor of the "National German Democratic Republic." This government is expected to be set up by German Reds, with the support of the Russians.

Workers' new proposal to Chrysler were not disclosed. Talks under a wage reopening clause in their contract were adjourned until next Tuesday after a brief session.

**How GARLIC Relieves
NERVOUS STOMACH**
The Doctors call it "gastric neurosis".
They say that many men and women suffer
from the distressing symptoms of
"nervous stomach"—the feeling of heav-
iness after meals, belching, bloating and
colic pains due to gas. ALLIMIN was
investigated by a group of eminent physi-
cians who found it highly effective for
the relief of the distressing symptoms of
"nervous stomach". ALLIMIN is the
largest selling garlic tablet in the world—
more than 250 million used to date.

ROAD TINKERING IS COSTLY...
To get the most out of motor funds pavements should be of **CONCRETE**

Official records of the 28 states that report pavement maintenance costs by type of surface show that:

1. Concrete costs an average of only \$109.84 per mile per year to maintain.
2. Other types of pavement cost from 1-1/4 to more than 4 times as much to maintain.

That's important to you, Mr. Motorist, because your gasoline taxes and license fees pay for paving and for maintaining roads.

This is important too! Concrete, with the lowest average maintenance cost, generally carries the heaviest traffic. And it lasts the longest.

Durability and low annual cost. Good reasons why your new roads should be built of concrete.

Senate Asked To Reject Olds Renomination

Commerce Committee Votes 10-2 Against Him For Third Term

WASHINGTON, Oct. 6—(AP)—Disregarding a plea from President Truman, the Senate Commerce committee on Wednesday asked the Senate to reject the renomination of Leland B. Olds for a third term on the federal power commission.

The 10-2 committee vote against Olds made it extremely doubtful the Senate would heed Mr. Truman's charge that "powerful corporations" are seeking to block the appointment.

Chairman Edwin C. Johnson (D-Colo.) reported the unfavorable recommendation to the Senate, thus giving the chamber itself an opportunity to vote on the nominee. By its vote the committee upheld a 7 to 0 tally against Olds by a subcommittee yesterday.

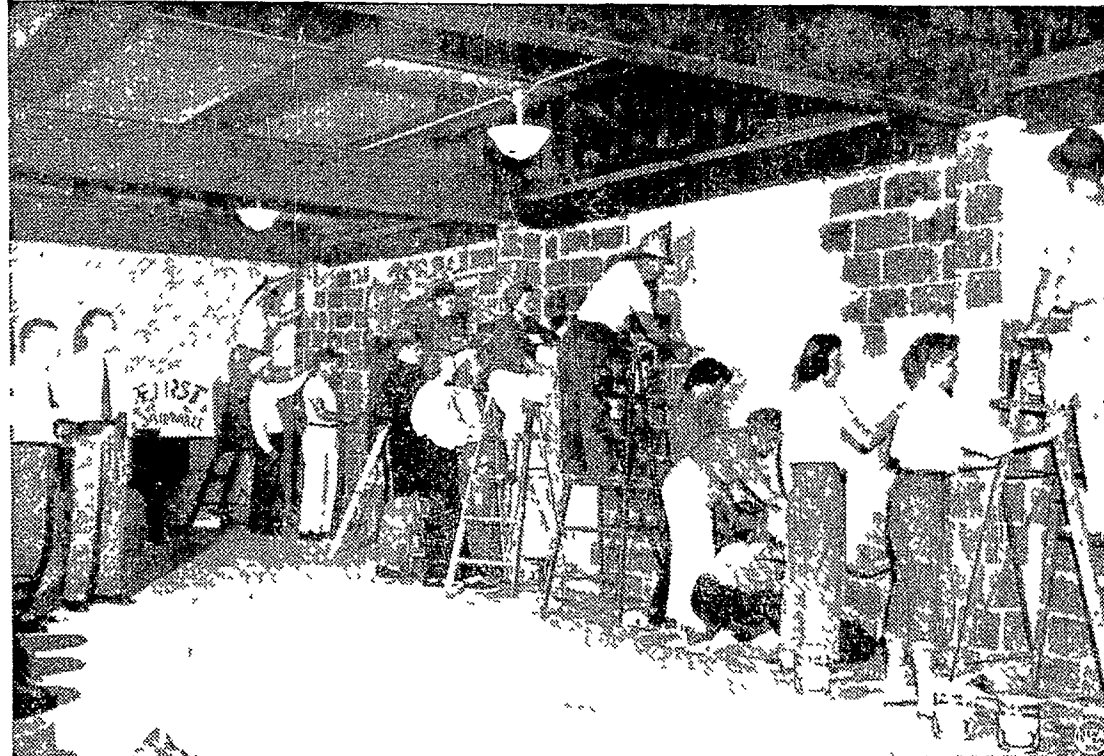

Administration leaders indicated the Senate probably will not be asked to vote before Monday. Olds was criticized at subcommittee hearings for his radical writings in the 1920s and for his views on federal regulation over the natural gas industry. Olds admitted he wrote radically as a young man but said he did so to shock the people into seeking reforms.

The 58-year-old nominee denied he ever has been a Communist or that his writings supported Communist philosophies as claimed by his opponents. Mr. Truman wrote Chairman Johnson (Colo.) and Vice President Barkley yesterday. He said nothing had been disclosed in the testimony which "raises any doubt in my mind as to his (Olds') integrity, loyalty or ability."

Blames "Powerful Corporations" Instead, Mr. Truman said "powerful corporations" are opposing Olds and added that great corporations cannot be allowed to dominate commissions set up to regulate them.

Chairman Johnson wrote the President denying representatives of corporations described by Mr. Truman had sought to block the nominations. He also said Senators were "shocked beyond description" by Olds' political and economic views as a young man.

In the full Commerce committee vote only Democratic Senators Magnuson (Wash.) and Myers opposed the unfavorable report. Voting against the nominee were: Democrats Johnson (Colo.), Johnson (Tex.), McFarland (Ariz.), O'Connor (Md.) and Hunt (Wyo.); and Republicans Tobey (NH), Reed (Kan.), Capehart (Ind.), Brewster (Me.) and Bricker (Ohio).

"GOOD SAMARITANS" TACKLE PAINT JOB—Almost 100 parishioners turned out at Manhasset, N. Y., to do a paint job on the interior of their new brick church. Half of the "Good Samaritans" brought their own paint brushes. The pastor, Rev. George Parker, at extreme left, directed the amateur paint slingers.

Community News from Clarksburg

Mrs. Maude Albin

Mr. and Mrs. Ray Dunham of Excelsior community were 6:00 o'clock dinner guests Saturday of Mr. and Mrs. Leonard Martin and children.

Mr. John Schlup's condition remains about the same.

Mr. and Mrs. R. C. Stephens were Sunday dinner guests of Mr. and Mrs. L. J. Stephens in Cooper county.

Mr. and Mrs. James T. Renshaw, also their son-in-law and daughter, Mr. and Mrs. J. E. Keir are here on a vacation from Peoria, Ill., left the first of the week for Big Stone Gap, where they will visit Mr. and Mrs. Renshaw's other children. Mr. and Mrs. Ralph Renshaw and two daughters and Mr. and Mrs. C. G. Smith of that place.

A number from Clarksburg and community attended the funeral Sunday at Tipton of Walter Richey.

Mr. and Mrs. Jack Clawford of Warrensburg spent Saturday night and Sunday with their parents, Mr. and Mrs. G. C. Van Stratton and Mr. and Mrs. Ed Crawford. They took their daughter Sharon Kay home with them to place her in school at Warrensburg, after being in school here the past few weeks. Mr. Crawford was recently transferred from one of

the I G A stores at Versailles to Warrensburg.

Several from here and vicinity have been attending revival services at Tipton Baptist church the past several nights.

Mrs. James Baidwell of Kansas City spent the past week here with her mother-in-law and father-in-law, Mr. and Mrs. E. E. Baidwell. James came at the week end.

Mrs. Ethel Baker and son Loyd were Sunday dinner guests of her daughter, Mr. and Mrs. Leonard Martin and children.

Jack Dean Toler, who is attending school in Columbia at the Missouri University, spent the week end with his parents, Mr. and Mrs. George Toler.

Mrs. Aubrey Toler has as her guest her sister, Mrs. John Toler, of Warrensburg.

Mr. and Mrs. Jeff Battles of Columbia were callers of his parents, Mr. and Mrs. M. J. Battles Sunday.

They were here to attend the wedding and reception of Mr. and Mrs. Stratman's daughter, whose marriage to William Dawson took place at the Baptist church Sunday. The reception was at the home that evening Jeff had been closely associated with Mr. Stratman at the Tipton Bank the past several years, before enrolling at the Missouri University this fall.

Col. and Mrs. William Winebrenner recently returned from a western trip covering a distance of approximately 8,000 miles and visiting fifteen different states. They visited old Mexico, Colorado Springs, Royal Gorge and Craig in Colorado, visiting the families of Mr. and Mrs. Eugene Higgins and Dr. and Mrs. Born at Craig, Colo., Yellowstone National Park, Ellensburg, Wash., and on to Oregon, California, Los Angeles and other towns, visiting Mr. and Mrs.

Herbert Fulks, Mr. and Mrs. Frank Winebrenner and Donnie; San Benito, Santa Anna. There they visited Mr. and Mrs. Roc Boggs. Also visited the Boulder Dam and Grand Canyon, then back to Yellville, Ark., where the Col. conducts stock sales.

A complimentary shower was given Thursday night at the Baptist church Annex for Mrs. Ivan Dameron.

The shower was sponsored by the B. W. C. of the church who invited the members of the W. M. U. to be present and take part with them. A short program at the beginning of the evening was given. Lavonia Van Stratton sang a solo.

Mrs. Dameron was invited to have a seat near a table in the center of the room, where the gifts were to be placed for her to open. A miniature train, made and decorated by Mr. and Mrs. Oscar Sanders, loaded with gifts was ushered into the room and as one of the B. W. C. ladies handed the packages one by one, they were opened and names read.

After the packages were opened and taken care of, refreshments of fruit salad and cup cakes were served to the group numbering twenty-six by members of the B. W. C.

The train with its gifts was packed and placed in the car of Mrs. Dameron to be taken to her home.

Court Inquiry Ordered In MoPac Strike

Unions Decline To Comment, Up To The Attorneys To Handle

ST. LOUIS, Oct. 6—(AP)—U. S. District Judge George H. Moore ordered a judicial inquiry Wednesday into the issues causing the Missouri Pacific railroad strike.

Judge Moore acted on a petition by Guy A. Thompson, court-appointed trustee for the railroad during its reorganization period.

The federal court judge named a St. Louis attorney, Jesse W. Barrett, to serve as special master to conduct hearings and recommend to the court which of 282 claims by the four striking brotherhoods should be paid.

Trustee Subject To Court

The court in turn would issue an order based on the recommendations to Thompson. The trustee, as an officer of the court, is subject to the court's orders.

Disinterested attorneys in the federal court said they doubted such action necessarily would end the walkout, now in its fourth week.

They declared the unions are not parties to the reorganization litigation in the federal court, therefore could disregard the court's order concerning the claims.

Roy A. Davidson, spokesman for the striking unions, declined to comment on the court's action. He said it was a matter for the Brotherhoods' attorneys to handle.

Barrett is a former Missouri attorney general. In his petition to the court Thompson declared the unions' claims were without merit. Gov. Forrest Smith of Missouri arrived here Wednesday night for a governor's conference.

Governor Smith said two other

Fireboats And Inmates Battle Boston Fire

BOSTON, Oct. 6—(AP)—Fireboats and inmates battled flames which swept the three-story administration building at the Deer Island Home of Correction last night and brought it under control with no known injuries.

Most of the 660 inmates of the island prison were housed in separate buildings 200 yards away, although 40 in solitary confinement in the basement of the brick structure were removed. Thirty inmates in the building at the time made their way to safety.

A prison official said the fire apparently started in the cutting room of the third floor clothing factory. Damage to the 100-year-old building was confined to the clothing factory and a shoe factory on the second floor.

Mrs. Emil Hess Fractures Wrist

Mrs. Emil J. Hess, 600 South Can. avenue, fell in the yard at her home, 10:30 Sunday morning, fracturing the left wrist.

She was taken to Bethwell hospital for x-ray examination, where Dr. D. R. Edwards reduced the fracture and she was then returned to her home.

Canine University:

German Shepherd 'Dean' of School
That Trains Pet Dogs For Owners

CHARACTER TEST—As part of his entrance examination for Canine university, miniature pinscher Princey's reactions are noted as he is introduced to a strange dog, German shepherd Lobo. Princey's mistress, concert pianist Claudette Sorel, 17, and CU's director, Dr. Frederick Reiter, watch.

By RICHARD KLEINER
NEA Staff Correspondent

NEW YORK—(NEA)—Down the hallowed halls, across the hushed and cobblestoned campus, beside the ivy-covered walls they come. These are the students, some returning for advanced

courses, others panting with the first breathless taste of higher education.

They hold their heads up high—except when they drop their noses to sniff the ground. Their backs are strong and steady—except when they wag their tails. For these are the students of

Canine University, an institution for the training of dogs.

Under the watchful eyes of Dean Franz von Badwasen, Sch. H. II, C. D., and Registrar Loba del Morro, Int. U.D., the newcomers to good old CU are reporting for their entrance exams. Both the dean and the registrar are famous scholars—von Badwasen, known as Joe, comes from Germany, and del Morro, who is called Loba, is a Cuban. Actually, they are both German shepherds.

The eager applicants—a cocker spaniel named Herbert; Cavalier, a boxer; a miniature pinscher, Princey; and Bodo, a Doberman pinscher—wait nervously until the dean's assistant, Martin Disheart, and the assistant to the registrar, Dr. Frederick Reiter appear. Herbert, his cream-colored ears, dusting the floor, absent-mindedly chews on Bodo's leg while waiting. And Princey rehearses the college's song "Beagle-Call Rag."

Finally, the entrance exams begin. Caliber, who prefers to be called Cavvy, is tested for aptitude. It is a four-part test, for alertness, character, efficiency and anxiety.

To see if Cavvy is alert, an object is tossed in front of him. He follows it with his eyes and doesn't shy away from it. He is pronounced alert.

Now Cavvy must show his character. A stranger (the joint is loaded with strangers) approaches and touches the dog. Well-behaved Cavvy stands there without gnawing on the unknown fingers.

Efficiency comes next. Cavvy is placed on one side of a jumpable obstacle. His master (yes, the dogs bring along their masters—Cavvy has one named Jimmy Walden) goes on the other side and calls. Will the obstacle frighten him and make him run? Or will he dodge around it? Cavvy dodges. Not as good as going over, but at least he went in the right direction.

The final test is anxiety. Walden goes out of the room. Cavvy can't see him. Cavvy is on his own. After about five seconds,

Walden whistles. With a leap anxious Cavvy dashes after him. The test proves that Cavvy can hear and Walden can whistle. Important.

The other applicants go through the same tests, and they all pass. They are fully accredited freshmen.

Dean von Badwasen outlines the curriculum for the first semester. They will learn to heel on the left side, with leash. They will learn to sit and to lie down on command. They will learn to sit when their handler stops. And other grand and glorious subjects will be taken up, such as sticks and balls.

When a dog finishes the beginner's course, he will be "a pleasant companion in the house and on the street," says Dr. Reiter, the director of Canine U. After the advanced class, "he will be ready for the official Obedience Trials at any dog show under supervision of the American Kennel Club."

After each course, a full-scale graduation is held. Diplomas are awarded. Degrees are given. The noisiest barker is graduated summa cum laude. The sharpest toothed gets a Phi Biter Kappa.

A bigger television picture tube has been developed for use low-cost receivers. It will provide 50 per cent more viewing area than the seven-inch tubes it will replace and will handle a 39-square-inch picture.

Clean-up Time
For Jewelry

Jewelry—both real and make-believe—responds to a regular clean-up session.

By Alicia Hart
NEA Staff Writer

Jewelry—both real and make-believe—must be kept clean if pearls, pins, necklaces and rings are to reflect their brilliance and your good grooming.

Jewelry responds to regular clean-up sessions just as other accessories do, but there are rules for keeping these precious accessories spick-and-span.

Precious gold and platinum, diamonds and rare stones can be cleaned with jewelry cleaners that are designed to do just that. But a home-brew of strong soap, a little ammonia and lukewarm water will work miracles on your bedimmed engagement ring and wedding band. Dip your jewelry in and out of this solution until it looks clean, then remove the rings and run cold water over them.

Lukewarm water and soap alone, without the ammonia this time, will do the cleanup trick for semi-precious and synthetic stones and imitation gems held in fine settings.

Beads and chained necklaces take to a lukewarm soap-lather and soft-brush treatment. Soaking should be avoided because it tends to rot the string. Just dip the brush (it can be an old toothbrush) and rub over the beads.

Pearls are a problem apart. Oriental and cultured pearls can be cleaned in warm soap water and rubbed with a small brush though a more professional cleaning can be done by the jeweler. All imitation pearls, no matter what the grade, will drop their pearl coating if dipped in hot water. If you must wash your pearls, dip them in slightly warm water, or better still, wipe clean with a damp cloth.

Costume jewelry is apt to shed both stones and luster in a hot-

water bath also. Most high fashion accessories are brightened by gem-colored stones that have been pasted on rather than prong set. Hot water dissolves the glue that holds stone to setting.

A damp cloth wrung out in lukewarm water will wipe up most of the soil that collects in tiny jeweled crevices. If you must wash the pieces, place a cloth in the bottom of the wash-basin filled with slightly warm water, just in case stones do fall out.

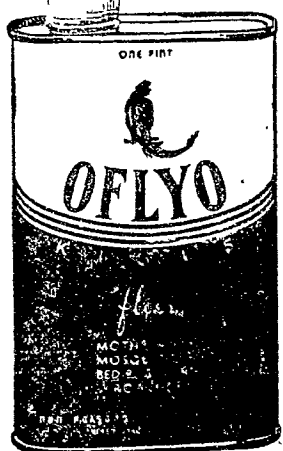

Five Bottles Price For Show
PRAGUE—(P)—You can see a pretty good show here for five old bottles. It's part of the government's campaign to increase industry's raw materials stocks through salvage.

Recently the Prague Karlin Umoni Lindu theater put on a performance with two big dance bands called "entertainment for five bottles."

A&P, TOO, TAKES OFF ITS HAT TO MR. C. WHIT BLOUNT

OF WAYNESBORO, GEORGIA

-AND TO ALL OUR OTHER GOOD COMPETITORS WHO HAVE TAKEN A SIMILAR STAND

[An Editorial From The Atlanta Journal,
Thursday, Sept. 29, 1949]

Competitor Denounces Suit Against A&P

THE BOLD three-column advertisement in the current issue of the Waynesboro True Citizen catches the reader's eye. We quote it in full.

To our notion that advertisement by C. Whit Blount states the economic and governmental aspects of the case against A&P with a clarity and forcefulness that most of the editorial comment has lacked.

Also it strikes us as a fine example of sportsmanship in business.

Incidentally, it is about as effective an advertisement as could have been written for Mr. Blount's "Grocery".

Makes you sort of wish you were in Waynesboro to trade with him, doesn't it?

* * *

[An Advertisement From The
Waynesboro True Citizen]

A Word For Our Competitor The Great Atlantic & Pacific Tea Co.

There has been a move by the anti-trust department of the Federal Government to destroy our leading competitor, the A&P Food Store.

It may seem odd, but we are opposed to this move.

The A&P Co., is definitely our strongest competitor - they keep us hopping. But, we are still in business - And Expanding. We do it by selling quality merchandise, buying at a close margin and selling at CLOSER margin.

The so called "trust-busters" charge that the A&P Co. control some of the production and processing ends of the food business. As a result, they hold the cost price down on foods.

WELL, WHAT'S WRONG WITH THIS??

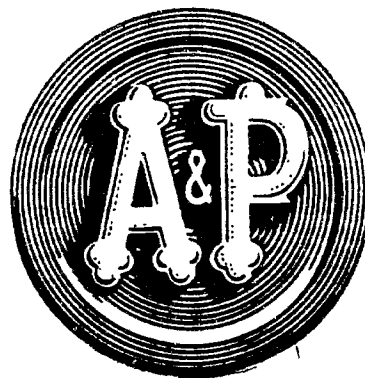

If A&P holds the costs down, it makes our suppliers hold their costs down to the same competitive level. They can sell cheaper, AND SO CAN WE.

We intend to continue to try to sell better merchandise than A&P; We also will continue to have competitive prices.

BUT, We don't believe the government, or any individual should try to break up a firm that is doing a good, clean, efficient job of serving the people of this country.

Fishermen Thankful It Got Away
PERTH—(AP)—Two professional fishermen here have a new angle to the story of the fish that got away. This time, so they say, it was a whale and it nearly took them with it.

According to their story the two men, J. Hanson and C. Oslen were fishing in their 16 foot boat eight miles off the coast. Suddenly three large whales surfaced about 15 feet away. One, a 45 ft. hump-back whale, dived under their boat. The fishing lines caught in its flippers. The whale surfaced again and off to sea dragging the boat on a crazy course after it.

After about 50 yards, it broke free taking the fishing lines with it.

Girl, 11, Spells Magazine With a Gift of Printing

BARBARA EDGECOMBE, PUBLISHER: She's also the janitor.

By BERT GILDRATH
NEA Staff Correspondent

KALAMAZOO, Mich.—(NEA)—When Printer Francis Edgecombe gave his young daughter, Barbara, a printing press and a box of type a few years ago, his only idea was that it might help her learn to spell.

Instead, the press has turned Barbara, now 11, into probably the youngest national magazine publisher in the country.

The basement of the Edgecombe home in Kalamazoo is the editorial office and printing plant of her brainchild, the "American Children's Magazine," issued once a month, a nickel per copy.

Publisher Barbara says her five-by-seven, eight-page magazine has a tap circulation of 400 and a monthly income of as much as \$25. She's also advertising salesman, circulation manager (and sometimes delivery boy), printer, pressman, artist and proofreader.

And janitor, too: Barbara has to battle her father for more space in the family workshop, and just the other day had to suspend publication while she helped unravel the turmoil caused when the family furnace was switched to gas. "It makes me furious," said Barbara. "I'll bet other national magazines never have this problem."

Almost everything in the magazine — recipes, poems, cartoons, stories and articles — is turned out by Barbara. Sometimes there's a stray contribution from one of the neighborhood children, and Barbara Gallup, 14, has joined the staff as safety editor.

Organized in January, Barbara Edgecombe started out with two other girls as her staff. After several issues, chicken pox, homework and summer vacations took their toll, Barbara continued

single-handed until the safety editor signed up.

The blonde bobby-soxer is an expert at the disappearing art of setting type by hand, but she keeps her deadlines pretty elastic; the ads have to be sold first. Revenue from that source runs as much as \$3 an issue, but the big income comes from circulation.

Labor costs are just written off. "We don't count our hours," Barbara explained, "because it's so much fun."

Hot off the press—which Publisher Barbara runs by hand—the magazine is sent out to readers in Kalamazoo, other nearby Michigan cities, and a dozen other states.

Doll With a Black Eye

(Not for Gals; It's for a Guy)

SHINER: Michelle Ricks was surprised, but not the buyers.

By Jack Harr

NEA Staff Correspondent

CHICAGO, — (NEA) — Michelle Ricks, three, was somewhat sur-prised when she saw the boy-dolls dressed in boxing trunks and gym shoes.

But the buyers at the Mer-chandise Mart, where Michelle was getting a sneak preview of what's likely to be under the Christmas tree this year, weren't surprised at all.

There is a certain time, it seems, when boys like dolls. Not ones like a new model with nylon hair that can be set in different hair-does, which fascinated Michelle. But masculine dolls.

That is what inspired the box-ing doll, one of the thousands of new items which turned the Mart into a vast toyland for buyers. Along with trunks and gym shoes, the doll has big, detachable box-ing gloves and will retail for \$5.95. Black eyes are optional, and are produced with paint, not by sock-ing the doll in the face.

As Orders Pile up, some whole-salers are predicting the greatest year ever in the toy business.

"Things are almost too good," groans Herbert Shermann, manu-facturer of toy racers and air-planes. "Right now my factory is 175,000 orders behind, and we'll

have to go to make that up before Christmas buying starts."

Prices will be comparable with last year and the merchandise will be of superior quality, wholesalers claim. An expected increase in business makes it possible, they say. The kiddie population this year is at an all time high.

The most widespread trend this year is a Western motif in toys, stimulated by the popularity of such characters as Hopalong Cas-sidy, Roy Rogers, and Gene Autry. About 40 per cent of boys' clothes will have a cowboy touch.

The realistic trend is as strong as ever. To supplement the doll that actually wets, a manufac-turer is marketing a plastic "step-on" can where the little mother can dispose of the wet diapers. It will cost \$1.95.

Another realistic toy is a frank-furter wagon just like the one the kids see at the beach. It comes complete with everything but an edible hot dog.

Tops in realism, as always, are the electric trains. This year they range from a basic set that costs \$15.95 to a startling electronic rail-road that markets for \$199.50.

A new accessory is a cattle car which unloads seven cows on a platform and returns to the same spot to pick them up. This interest-ing but pointless operation will cost father \$14.95.

Russia Builds Rocket Launching Sites On Kamchatka, 1400 Miles From Alaska

By Leon Dennen
NEA Staff Correspondent

NEW YORK—(NEA)—Launching fields for trans-ocean rockets capable of crippling the defense of Alaska and paralyzing U. S. communications with Japan have recently been completed by the Soviet MVD on the Kamchatka Peninsula and the adjacent territory of Kolyma, according to reliable information.

This confirms and extends what I first learned of Soviet activity on Kamchatka two years ago from a satellite diplomat, following a reception given in the Russian embassy in Paris. To assure a group of satellite diplomats of Russia's might, the Soviet Ambassador to France, Bogomolov, was reported to have remarked: "I know for a fact that we are now engaged in the mass production of rockets formerly produced by the German Wehrmacht at the Peenemuende armaments center. This plant, which was taken over by Soviet experts, has been reassembled on a gigantic scale in Siberia."

Bogomolov, according to my informant, who is still in the employ of the satellite country, added with a smile:

"In case of need, we could subject both Alaska and the Canadian Pacific coast to mass bombardment."

Meanwhile feverish construction on Kamchatka continues unabated. In addition to the construction of rocket launching fields, more than a million prisoners are being employed by the MVD secret police to build a vast system of highways which begin at the port city of Magadan and will eventually reach the Bering Straits.

All of Kamchatka is also dotted with air fields and repair plants. The population of the area is being constantly increased. Women prisoners of the northeastern harbor camps who give birth to children are forced to remain on the peninsula even upon the completion of their prison term. They are the new Soviet colonizers of Kamchatka.

(These projects could explain the sensitivity to visiting American aircraft which has caused Russian fighter planes to "buzz" or escort American air liners traveling between Japan and Alaska. A Northwest Airlines plane is the latest to report such an incident as it flew over a large air base somewhere in the Kamchatka area.)

The same is true of the adjacent Kolyma, where thousands of prisoners of the MVD, disguised as gold prospectors, work on military installations.

The abundance of fish in the Kamchatka and Kolyma lakes makes it possible for the MVD to feed the prisoners locally without drawing upon the remote central depots from which the regions are cut off six months in the year.

What It Means: The Tax On Rate Boost

By Alexander R. George
WASHINGTON—The recent increase in railroad freight rates brings about a double-barreled boost in living costs.

It raises the ordinary charges for shipments of goods, which results in increasing the amount paid in federal excise taxes on the transportation of property. These extra charges customarily increase the prices paid by consumers for those goods.

The federal tax on transportation of property is three per cent of the regular transportation charge. (The 15 per cent tax on

passenger fares is not affected by the new rate increase.)

The Interstate Commerce Commission granted the railroads a general four per cent increase in freight rates to compensate for the costs of installing a five-day week schedule for non-operating employees Sept. 1.

It is expected that Congress will give primary attention to the property transportation tax when it tackles the excise levy issue at next year's session. Tax specialists say it is the one tax which virtually everyone favors abolishing.

That's because it tends to increase living costs more than any other single excise tax. One reason is that it applies to all kinds of commodities and another is that it often keeps pyramiding.

For example, it is applied first to raw materials being shipped to an assembly plant. Second, these materials are taxed again

shipments of the finished product. President Truman generally has opposed the elimination of excise taxes, but in his midyear economic report he said the property transportation tax should be wiped out. He didn't advocate repealing the 15 per cent tax on passenger travel.

However, there will be pressure for abolishing the passenger tax when Congress tackles the property transportation levy. Many Congressmen contend that much travel is in the necessity, rather than the pleasure class.

The 15 per cent bite is considered particularly rough in persons who regularly ride commuter trains to and from work.

Iraq Pushes Machinery Plan

BAGDAD, Iraq—(P)—Iraq has worked out a scheme to speed up introduction of modern farm machinery into the country. Under the plan, to be carried out in approximately five years, the government will have a complete monopoly on farm machinery.

The purpose of the plan is to introduce more efficient farming methods and increase crop yields by replacing primitive implements now in general use. For example, it is hoped to increase the wheat yield by 25 per cent.

Under a new law, only the Iraq government will in the future

be able to import farm machinery. Fifty per cent of this machinery will be sold to the big private land owners and spare parts will be under control of the government.
